

Janis Anderson Rueping

Vice President, Quality Improvement & Risk Management, Swedish Covenant Hospital

Janis has had a long and satisfying career at Swedish Covenant Hospital. In addition to oversight of quality and risk management, she provides leadership for the Hospital's patient safety, medical staff services, infection control, survey readiness, ethics, pastoral care, and interpreters programs. She is a graduate of North Park College, and is currently pursuing a graduate degree from the same university in Nonprofit Administration. As a resident of the North Park community and a member of the Swedish Covenant Hospital leadership team, she has developed a deep sense of appreciation for the Swedish roots in her communities, and has a strong desire to continue to maintain and grow relationships between Scandinavians and Americans.

Janis and her husband Frank Rueping have two children, Emily (23) and Matthew (19), and in addition to her work and graduate studies, she enjoys spending time with friends and family, reading and visits to northern Michigan.

Janis joined the SACC-Chicago board in January 2012, and has served as VP of Strategy, on the Lucia Luncheon Planning Committee, and in 2014 as President.
